## Customer Reviews

Move through time as never before with this one-of-a-kind guide, which brings you face to face with the people and events that have shaped the history of America's capital. Two PopOut maps - an archival map, and another showing the city today. An introduction that discusses the history and preservation of the present-day city. A timeline that adds further texture to the history described. Concise biographies of the key figures behind the capital's establishment. A historical tour that takes you through the city's history in four, half-century spans of time, from its origins to the present day. Places to stay, eat, and visit. Archival and color photos throughout.

This is a terrific guide to everything you want to know about Washington, DC, including what you really have to see, how it got there, and the historical significance of all the landmarks. It's also got a great pop-out map with everything labeled so you can't get lost. My kids thought this was just the

best tour guide book ever!
