In great condition, just as described.

DeceivedBy: Patricia H. RushfordReviewed by: L. Bit HirataPeriod:5The book Deceived is a great, suspense mystery book with many surprises. It is about a girl named Jennie McGrady that is searching for her father. Her grandmother takes Jennie on a Caribbean cruise with her cousin where there are tropical breezes and beaches, she feels relieved. During her cruise she meets a guy named Dominic Ramirez who is wealthy and sweet but has a dark side to him. She also meets an agent that she feels really comfortable with talking about her father. During the cruise danger occurs around her. Before going back on the cruise, they go through the security check that checks your luggage. Jennie got caught with drugs in her luggage and goes to jail for a day. In the end, a great surprise comes up. One part that I disliked about this book was when Dominic betrayed Jennie. He had a dark side to him that had her worried. But in the end, things turned out okay. I liked this book because it was very intense and exciting. "Daddy", was a quote said by Jennie. I thought this was a very intense moment because she found out that the agent, Brett Roberts, was her father. "Don't Jennie" was a quote said by her father, his eyes told her that he wanted to hold her and protect her. But he didn't. My favorite part of the book was when Jennie found out that Brett Roberts, the agent, was her father. It was very surprising and intense. I really enjoyed reading the whole book.

This is my favorite Jennie McGrady book. The plot twists and turns, and it's impossible to guess the ending. In this book, you never know what is going to happen next. Deceived focuses on sixteen-year-old Jennie, her same-age cousin, Lisa, and the two guys (Matt and Dominic) that they meet while on a cruise with their grandmother and step-grandfather, who just happen to be FBI agents. Meanwhile, Jennie refuses to believe that her father, also a FBI agent, is really dead like the government says. She is determined to find him, but the search winds her up in the clutches of a crazy drug lord.

Deceived was the best Jennie McGrady Mystery Book out of all of them! From the first page to the last each one is full of suspense, twists and turns! The setting adds to the wonder of the story. Jennie, Lisa, Gram & J.B. are on a wonderful Caribbean Cruise! The book is just the best, I couldn't put it down!

This is one of my favorites. I have the first 4 books of this series and I love them all. But this is absolutely my favorite! I can't wait to get the other books of this series. Patricia Rushford, please

keep writing these books!

I thought this was a really great Jenny McGrady book. It was really suspenseful, exciting, and it brought some kind of conclusion to her father. I recommend it to anyone looking for a great book!

This was a great book! I love how it answers most of the questions about her father. If anyone is looking for a great book, I recommend this one!

This is a great book to read if you are tired of all those fake heroes that are usually featured in books.
