AT THIS SCHOOL, EVERY LESSON IS AN ADVENTURE. Sixteen-year-old Jessica Rainville's dream of working with exotic animals is about to come true. She's signed up to spend a summer learning to train and care for tigers, lions, leopards, bears, and elephants at an exotic animal ranch. She will pet tigers, train grizzly bears, ride bareback on elephants, and, despite her best efforts, she will fall in love. But Jessica's summer at the exotic animal ranch will test her in ways that she never imagined. And just one mistake can mean the difference between life and death.
WILD ANIMAL SCHOOL is a romantic young adult coming-of-age novel that will appeal to similar audiences as **ENDANGERED** (by Eliot Schrefer) and **KICKED, BITTEN, AND SCRATCHED: LIFE AND LESSONS AT THE WORLD'S PREMIER SCHOOL FOR EXOTIC ANIMAL TRAINERS** (by Amy Sutherland). **WILD ANIMAL SCHOOL** is a perfect gift for animal lovers from teens through adults. While the characters, places, organizations, programs, businesses, incidents, etc. in **WILD ANIMAL SCHOOL** are fictional, the author personally experienced nearly every animal interaction in the pages of this novel. **WILD ANIMAL SCHOOL** is available in Kindle ebook and in paperback. Customer Reviews

As someone who could not accurately be called an animal lover (I like them best in zoos and natural history museums), I was surprised to find this book so engrossing. The author's experience with animal training is clearly firsthand, lending realism to her descriptions of the main character's tentative first interactions with bears, tigers, and other beasts that most sane people would only approach from behind a three-inch pane of glass. There is a young love plot thread that may appeal to fans of romance, but for me the sparks really fly when the protagonist is obliged to play games of dominance and submission with species other than her own. I was propelled through the book by the risk and wonder of interacting with wild creatures, and there was more to experience with each chapter.

WILD ANIMAL SCHOOL is a romantic young adult contemporary coming-of-age novel that is a must-read for animal lovers, especially those who have ever considered a career working with animals, from zookeeper to animal trainer. I found this book to be a very interesting story. It was a page turner I couldn't put it down. I feel the author is a talented writer. The way the author writes makes you feel like you are apart of the story. While reading this story I pretended to be a animal trainer too. I would recommend everyone should read this book.

I loved this book! It hooked me from the beginning and by the end I didn't want it to end! Can't wait
