Winter's Flame (Seasons Of Fortitude Series Book 4)

Synopsis

Book 4 - Seasons of Fortitude Series (This is the last book of the series. It is best to read the Legendary Bastards of the Crown Series, as well as books 1-3 of the Seasons of Fortitude Series first, however, each book stands alone.) Lady Winter uses her unique skill of forging weapons to assist the old blacksmith that once mentored her. Her intention is to help bring trade back to her sister's town of Ravenscar. But when a border lord shows up to collect on a debt from the late lord of the castle, things go from bad to worse. The blacksmith's life is threatened, and Winter will do anything to help him. Borderlord Sir Martin de Grey of Heaton sails to Ravenscar to collect the sword he's been promised as part of a deal. But when he arrives, he finds that the lord has died, and the blacksmith has no sword to give him. Desperate for a weapon made by the best blacksmith in the land, he plans to use it against his enemy to save his imprisoned brother. He decides to take the blacksmith back to Heaton with him, and is surprisingly pleased when the man's beautiful daughter insists on coming along. A mistaken identity brings a lady and a border lord together, but will dark secrets tear them apart? Passion heats up between them, but deception will cause the sparks to fly, even hotter than the fires of the forge.
