Bang Estonia: How To Sleep With Estonian Women In Estonia

Synopsis

Bang Estonia is a travel guide that teaches you how to meet Estonian women while in Estonia. Here's what you'll find inside... How long you should plan on staying in Estonia to get the best of what it has to offer How Estonian culture was shaped by its more powerful neighbors A breakdown on the best Estonian city to visit for getting a romance The type of lodgings and materials you'll need to maximize your chance of getting a fast romance Why Estonia's entry into the Euro zone has made your seduction mission harder Most of the book is dedicated to the women. You'll read... A detailed description of an Estonian girl's body, personality, and vibe, including a surprising negative feature that I didn't expect How an Estonian girl's appearance stacks up against her neighbors, particularly Latvia A breakdown of the three types of Estonian girls How many approaches you'll likely have to do in order to secure romance from an Estonian girl The book teaches you how to meet girls either day or night, with logistical breakdowns to help make it happen. You'll learn... An overview of picking up via the internet and during the day Night romance strategy, including my Estonian night hack that allows you to sidestep the cockblocking and social circle problems to dive straight into a 1-on-1 conversation Two short stories that offer additional insight and information to Estonian culture Detailed city guides on Tallinn and Tartu, where I describe the best day and night spots for meeting Estonian women. The 38-page book is organized into five chapters... Welcome To Estonia: Country background and logistics Girls: How they look and act Game: How to meet Estonian girls Stories: Two short stories from my time in Estonia City Guides: Details on the two most popular cities Bang Estonia aims to be a must-read guide for any Western man who wants to make a romance with Estonian women while visiting Estonia.

Customer Reviews

In 2002, Roosh decided to change my life. He pursued relationships with women, started his own business, and traveled through South America and Europe. He has shared everything learned and experienced in his books, which have been purchased over 50,000 times worldwide.

I will definitely be going to Estonia to sample its treats. Great review with useful tips and recommendations. It's so laughable how many fake reviews Roosh gets from angry women who can't stand it when a man is having a good time.

I read through this as a laugh mostly, since I'll be going to Tallinn in May. It is quite short, even for the cheap price, and it's amazing someone would pay for it - I've heard his other guides are much more in depth. Lots of stereotypes about girls from Tallinn and Tartu. He said he had a hard time picking up Estonian girls, but I do have to wonder if he made any distinction between Estonians and Russian Estonian girls. At least it does have a decent overview of suggestions about where to go.

There is no one better at giving a description of a place from a perspective of meeting women. I doubt that too many who read this will travel to Estonia, but I have no doubt that if they do they will be successful at meeting the local girls so long as they do what Roosh says.

Adventurous heterosexual men need this type of insight when traveling abroad.

This book is terrible - we can agree. Stop saying you don't want to censor books and then try to get them stop stop being SOLD. Write your own books that go against his, don't call for the prohibition of FREE SPEECH because of your offense. Do you realize calling for book bans is much more dangerous than anything Roosh writes about!!!

I liked it quite a bit.

The second Baltic country Roosh visited, Estonia is a huge step up from Latvia. The women are hotter and more feminine than Latvians and there are no scammers to be found. Despite that, there

really isn't much to say about Estonia; it's a very bland and middle-of-the-road country, and Bang Estonia reflects this. It's still an informative guide, but don't expect it to blow your socks off.

Stupid book by a stupid author. Very degrading and dishonest. Although I am an antifeminist, this book is really poor works.
