First Peoples: A Documentary Survey Of American Indian History

Synopsis

First Peoples' distinctive approach continues to make it the bestselling and most highly acclaimed text for the American Indian history survey. Respected scholar Colin G. Calloway provides a solid foundation grounded in timely scholarship and a narrative that brings a largely untold history to students. The signature "document" format of First Peoples strikes the ideal balance, combining in every chapter a compelling narrative and rich written and visual documents from Native and non-Native voices alike. An expansion by two full chapters presents a more diverse and nuanced picture of the history of Native peoples in America. Read the preface.

Customer Reviews

My Native American History teacher hates this text book but it was the cheapest out of the selection given to her. The author is very opinionated and seemed to add a lot of filler for my taste.

Purchased First Peoples: A Documentary Survey of American Indian History 3rd Edition by Colin G. Calloway for my native american studies class. price is cheaper than what my school's book store has it for.

GOOD BOOK. JUST AS DESCRIBED

Great text regarding Native American studies.

Nice clean rental. Thank you.

WELL WRITTEN

I received book before actual due date to arrive. The book was in good condition. I was required to get 4th edition but this edition has same layout and chapters as the fourth edition. Thank you for saving me a lot of money. I will order again.

If you're purchasing this book for FCC American Indian Hist, you WILL NOT USE IT. I was very disappointed that we didn't make use of this book at all in any tests or papers. However when I purchased my book it arrived in the exact condition I purchased it in. Just leaving a warning for FCC students. I was happy with my book quality and how fast it arrived.
