Sarah Young is a gifted and anointed writer. I LOVE this version of Jesus Calling. Now I feel that each 24 hours is complete. Every morning, I sit down with a delicious hot cup of coffee, my Bible, my new devotional and bask in God's peaceful presence. Then at the end of my long busy day, I snuggle down into my bed, pick up my devotional and turn to the evening portion and hear my Lord's voice before I go to sleep. It's a wonderful feeling of peace, comfort and joy as I close my eyes and hear the Lord's beautiful words in my ears.

Unlike the original version this one does not print the related scriptures but otherwise the morning devotions are the same and I love the evening devotion in this book.

I wish the description told that the book reference, the books and verse of the bible, but does not type it on the page, some of her books do, but you only know if you buy one where you can look at,

I use this book every morning and night to do a reflection, and these short reflections have transformed my faith and my prayer life. If you are seeking the Lord and aren't quite sure how to do it or how to pray, consider buying this book. It is accessible without being preachy. It allows you to learn about who God is and to bring specific themes into your prayer. Highly recommend.

this is my main daily devotional, I have a hard copy but with the convenience of being able to carry dozens of books with me on my kindle I bought the e-version. I have been using the Jesus Calling Daily Devotional for many years and now with the morning and evening version it's even better :)

I look forward to reading this book first thing in the morning and last thing before going to bed at night. I find comfort and inspiration in the messages each day. Starts my day off in the right frame of mind and brings me peace in the evening.

If you need to strengthen your walk with God, get this book alongside your Bible. It's a great way to start and end your day!

Perfect devotional book - very inspirational.
