Customer Reviews

Michel Thomas was head of the Michel Thomas Language Centers and taught languages for over fifty years, primarily in New York, Beverly Hills, and London. Over a period of twenty-five years he developed a unique and revolutionary learning system that made him the world's leading language teacher. He has taught celebrities, diplomats, dignitaries, academics, and business executives.

In his unique conversational style, Michel takes the learner on an auditory journey of conjugation as well as correct pronunciation. As with learning anything: practice, practice, practice. If you can listen and repeat, you will master the basics. Some people might find his elocution takes a bit of getting used to.

I love this style of learning. The CD makes you a third party in a speaking class. Great idea. You can't help but learn Spanish.

When I ordered this product I did not read enough to realize it was not what I wanted. Having experienced several of Michel Thomas' works, I still appreciate the CD even if it is not what I actually wanted. Delivery service is incredibly fast. Thanks
