House Built On Ashes: A Memoir (Chicana And Chicano Visions Of The Americas Series)

Synopsis

The year is 2009, and Jos $\tilde{A}f\hat{A}\odot$ Antonio Rodr $\tilde{A}f\hat{A}$ - quez, a doctoral student at Binghamton University in upstate New York, is packing his suitcase, getting ready to spend the Thanksgiving holiday with his parents in South Texas. He soon learns from his father that a drug cartel has overtaken the Mexican border village where he was born. Now, because of the violence there, he won $\tilde{A}\phi\hat{a}$ $\neg\hat{a},\phi$ t be able to visit his early-childhood home. Instead, his memories will have to take him back. Thus, Rodr $\tilde{A}f\hat{A}$ - guez begins a meditative journey into the past. Through a series of vignettes, he mines the details of a childhood and adolescence fraught with deprivation but offset by moments of tenderness and beauty. Suddenly he is four years old again, and his mother is feeding him raw sugarcane for the first time. With the sweetness still on his tongue, he runs to a field, where he falls asleep under a glowing pink sky. The conditions of rural poverty prove too much for his family to bear, and Rodr $\tilde{A}f\hat{A}$ - guez moves with his mother and three of his nine siblings across the border to McAllen, Texas. Now a resident of the $\tilde{A}\phi\hat{a}$ $\neg \hat{A}$ other side, $\tilde{A}\phi\hat{a}$ $\neg \hat{A} \cdot Rodr \tilde{A}f\hat{A}$ - quez experiences the luxury of indoor toilets and gazes at television commercials promising more food than he has ever seen. But there is no easy passage into this brighter future. Poignant and lyrical, House Built on Ashes contemplates the promises, limitations, and contradictions of the American Dream. Even as it tells a deeply personal story, it evokes larger political, cultural, and social realities. It speaks to what America is and what it is not. It speaks to a world of hunger, prejudice, and far too many boundaries. But it speaks, as well, to the redemptive power of beauty and its life-sustaining gift of hope.

It is easy for me to see why House Built on Ashes is a finalist in the 2017 International Latino Book Awards in the category of Best Latino Focused Nonfiction Book (to be announced in September). Along with the quality of his writing, the story-telling style used, and his amazing memory, I was perhaps most impressed by Mr. Rodriguez' courage, not only as he expressed his periodic pain to us, the readers, but has he recalled it himself. As one who has also moved to "the other side", but in my case from the US to Guatemala, there was a great deal that was familiar. I thank you, sir, for all of it. (And I'm hoping for the next chapters, the And then what?)

This book is an absolute must read. I adore it and will use it for all my Freshman Writing Courses. Made me weep from top to bottom, from the first to the last page. -Sarah
