Modern Bride? Honeymoons And Weddings Away: The Complete Guide To Planning Your Romantic Trip Ever (Wiley's Modern Bride Library)

Synopsis

America's #1 bridal magazine helps you plan the trip of your dreams. A wedding trip you'll remember forever--even if your tastes in travel are very different! One of you likes sailing, the other gets seasick. One's an avid mountain-climber, the other adores museums. One enjoys water-skiing, the other prefers snow. This informative, fun-filled guide will help you find the perfect honeymoon for both of you. And, if you think that having the wedding at your honeymoon location might be even more romantic, here's how to make it happen...just about anywhere in the world! From making sure your wedding is legal, to finding a photographer who will capture those once-in-a-lifetime memories--even in the most remote spots--this book will make your wedding away a truly beautiful experience. Wherever your dreams take you, planning should be part of the fun. This invaluable guide is filled with questions and answers, straightforward facts, and money- and time-saving tips. You'll find everything you need to make sure that all your travel memories are happy ones, including:

- * Checklists and worksheets to help organize your planning and keep you on budget
- * Practical pointers on travel packages, cruises, and foreign travel
- * Tips for creating romantic moments throughout your trip
- * Ways to avoid stressful situations
- * Highlights of the most romantic honeymoon spots, including Hawaii, the Caribbean, the Bahamas, Bermuda, the continental United States, Mexico, Europe, Canada, and the South Pacific

The author, travel editor of Modern Bride, has compiled a detailed, step-by-step guide to planning a

honeymoon. It is full of practical information for picking a destination, choosing a travel agent and transportation, packing, and evaluating travel packages. Bain addresses planning a destination wedding, in which the couple travels to a place to get married. She also touches on the favorite honeymoon destinations?Hawaii, the Caribbean, Mexico, and Florida. The various checklists, worksheets, and budget forms are helpful for the couple under the stress of making wedding plans. The appendixes contain comprehensive resources for planning, as well as a recent list of foreign tourist offices. This is a fairly standard guide, for public libraries.?Melinda Stivers Leach, Precision Editorial Svcs., Wondervu, Col.Copyright 1995 Reed Business Information, Inc.

Modern Bride's travel edition gives engaged couples all the tools they need to plan the romantic honeymoon of their dreams. The Author describes how to focus on what couples want for their honeymoon, where to turn for free expert advice, how to shop for the best deals and how to avoid scams, and common honeymoon pitfalls. Covers planning destinations weddings and provides an overview of the most popular honeymoon spots with special focus on the romantic things to do in each place. Numerous checklists and charts make planning easy, organized, and fun.

Unless you need help packing or planning for a trip, there is very little here of value with respect to honeymoons (I can't evaluate its worth with respect to planning a wedding). I was hoping for specific recommendations of places to stay for a honeymoon. This book offered only one paragraph descriptions of the destinations in general (plus a couple of sentences about things to do). If you are looking for a book which offers suggestions on specific resorts/hotels to go for a honeymoon, don't waste your money here.

I'm in the process of planning a wedding in Jamaica and was hoping for some suggestions. The basics are covered in the book but it is from 1995. It suggests going to the library and travel agents for help and brochures. It would have been nice if it mentioned the internet at all. It is geared toward inexperienced travelers. Overall I wouldn't recommend it only because the information can be found through any wedding site.

My husband and I had decided to get married in Jamaica, but we didn't know the first thing about how to plan for something like this. This book told us everything we needed to know: travel packages, foreign travel, tips for creating romantic moments, ways to avoid stressful situations, and even those places that are just for lovers! If you are planning a wedding away, I wouldn't be without

this book! Jennifer Malphy

This is a great book for the novice traveller. I did not find anything very useful. It also has a few pages for each location. Certainly not useful for my Scotland wedding as it had 5 total pages for Europe! I only paged through this book and was very disappointed.

If you are looking for the proper way to handle the logistics of a wedding away, this is NOT the book for you. It was really useless!!
