Grade 1 *–* In this sequel to *Dodsworth in New York* (Houghton, 2007), Dodsworth and his mischievous duck visit the French capital, exploring street cafés, the Eiffel Tower, Notre Dame, and the Louvre. Though Dodsworth has cautioned the duck, "You can't cause any trouble here," his companion gets into one escapade after another, from escaping the hotel to ring the bells at Notre Dame to folding all of their money into paper airplanes to fly off the Eiffel Tower. Egan's cartoon-style ink and watercolor illustrations enhance the comedy. Kids are sure to enjoy the zany humor and identify with the duck's playful nature. Some French words ("beret," "debonair," "magnifique," "bonjour," "monsieur") are an interesting addition to this easy reader while others are easily understood through the illustrations and context. A few are harder to decipher. Though their

inclusion may prove challenging for some students, more sophisticated readers will likely be undeterred. At the end of the story, Dodsworth and the duck are seen floating off in a hot-air balloon toward England. --Jackie Partch, Multnomah County Library, Portland, OR Copyright © Reed Business Information, a division of Reed Elsevier Inc. In this sequel to Dodsworth in New York (2007), the beginning chapter book that featured Dodsworth and his quirky pal the duck, the duo is off for Paris. Jauntily wearing an acorn on his head as a beret, the duck tries to heed Dodsworth's rule about not getting into trouble. But how can he resist helping a hunchbacked hippo ring church bells or using euros to make paper airplanes? The deadpan text is matched by the amusing square watercolors, which feature snippets of Paris. An out-of-the-ordinary offering for new readers that moves them to new places, both literally and literarily. Grades K-3. --Ilene Cooper --This text refers to an out of print or unavailable edition of this title.

Love the duck!

My daughter said this book is not super exciting, but it is cute, it's set in Paris, which she likes and his friend is a duck which she also likes. She said it's funny in a good way.

I have this to a 5 year old for his birthday - he's making a trip to Paris this summer and he loves it!

Very inventive and fun, interesting story and wonderful characters and educational as far as sights/culture of Paris! My kids ask for it to be read over and over.

excellent series

Dodsworth in Paris allows a child to have a taste of Paris without having to take the long flight. I highly endorse this book.

My children love this book, too! Bonjour to a tremendous addition to our library...Dodsworth and his perpetually-misbehaving sidekick ("the duck").

I love Dodsworth!
