i cant wait to see him in the up coming episode and i hope he likes music just like me because i am in orchestra the strings group of the symphony orchestra and i play the cello if you play a cello and not good at it i'm the person to see so i can't wait

Do not have too much vocabulary to learn, it is kind of messy and boring, of course my kid like it.

My kids love these books. It's getting 4 stars instead of 5, because the price is just ridiculous for an ebook.

My three year old son loves Tracker so we got this book and have read it many times.

I love it and I want to give it to my sister. I like the book because a new pup has a truck. Rebecca,
