The Pendragon's Blade (The Last Pendragon Saga Book 2)

Synopsis

Having given her trust to Cade and his companions, Rhiann comes face to face with the terror of the sidhe and discovers the true threat they represent to her people--and in so doing, takes her place as a full member of Cade's war band. But even as his relationship with Rhiann deepens, Cade knows that only he can stand at the crossroads between the Underworld and the free people of Wales and prevent the war that the wayward god Mabon hopes to unleash. The Complete Series reading order: The Last Pendragon, The Pendragon's Blade, Song of the Pendragon, The Pendragon's Quest, The Pendragon's Champions, Rise of the Pendragon, The Pendragon's Challenge, Legend of the Pendragon.

Customer Reviews

Sarah Woodbury tells a great tale. I have read all of the Pendragon series so far and wait expectantly for the next medieval tale.

Sarah Woodbury weaves an intriguing tale combining legend, mythology, and history about the last of the Pendragon lineage. More than simply human, Cade, is the subject of long standing prophecy concerning the leadership of Wales. As the last heir in the family tree of King Arthur, he must once again unite all of Wales. He has the help of a few loyal friends in his quest. And it will take all of them to battle an evil the world has never known before. Excellent story telling. And an imaginative continuation of the Pendragon line of kings. I highly recommend this series.

I started with author Sarah Woodbury, when her books were suggested to me after I finished Outlander. This series doesn't disappoint. The characters are very engaging. Strong, vibrant, and the story comes from true historical knowledge. Love all her books.

I'm really enjoying these books. I have read so many Arthurian books and it is nice to have something with the same flavor but with its own direction. The characters are well developed and the story line is fast moving and intriguing. I'm ready for book 3!

*Note: This review contains some minor spoilers. The Pendragon's Blade ups the anti in this next installment of the The Last Pendragon Saga. Arawn, the Welsh God of the underworld has begun releasing his demons into the world and his son Mabon enters the picture with his own motives. Cadwaladr (Cade), Rhiann and the men who are loyal to Cade find themselves battling demons and their human associates. The relationship/romance between Cade and Rhiann is, to say the least complicated - well, the poor guy is hardly human any more, thanks to the Sidhe, Arianhod and his very touch can kill a person. Sarah uses Welsh mythology, paganism and christianity to great effect in this exciting rendering of Arthurian legend - Cade is Arthur's direct descendent, so readers can expect to see some familiar elements that hark back to Arthur's life (you know - sword, stone, prophecy). I really liked the adventure and characters in The Pendragon's Blade and oh, hang it all, just call me a huge fan of Sarah Woodbury's writing - she writes and researches well and I think that's why her books are so darned good and why you can easily get lost in the Wales of the dark and medieval ages. An all round great read.

I started the pendragon series after her climar (sp) series. I devoured them eagerly and, so far, the pendragon series is also outstanding.

This is a most enjoyable series with some captivating characters.

The portrayal of characters in this time in history made for a very enjoyable read. I enjoy history and the characters and the story in this novel did not disappoint.
