Understanding Homeland Security

Synopsis

Dr. Gus Martin's *Understanding Homeland Security* offers much-needed insight into the complex nature of issues addressed by the homeland security enterprise. A comprehensive textbook for students and professionals, alike, this book addresses such subject areas as emergency management, terrorism, criminal justice administration, intelligence, armed conflict, and social environments. Martin's pedagogical approach is designed to stimulate critical thinking in readers, allowing them to not only comprehend the fundamentals, but also evolve with the very dynamic nature of homeland security. *Understanding Homeland Security* introduces readers to homeland security in the modern era, focusing particularly on the post-September 11, 2001 world. Reviewing theories, agency missions, laws and regulations governing the homeland security enterprise, this book keeps readers on the cutting edge.

Customer Reviews

"If you want to obtain a solid basic background of Homeland Security, begin with Gus Martin's book."--Irmak Renda-Tanali
"An excellent introductory text to homeland security, it provides a thorough and informative overview of the topic that is appropriate for undergraduate courses on homeland security."--Mark Feulner
"By far, the textbook by Gus Martin is one of the best written, illustrative and interactive learning methodologies that will engage students in the topics of homeland security and terrorism."
