Customer Reviews

I chose this rating because the book made me laugh. Recommended for people who like to laugh. Read and laugh.

This is a genuinely funny material. My only regret is that there wasn't enough of it. Some of it looks made up, but believable.

Lol it is so funny lol I wish I could have more money to buy a lot more of these books

Amusing and short book to read. Much of the autocorrect fails were hilarious. Always a good idea to proofread while texting.

Most of the same from damn you autocorrect. Only a few laughs. Maybe people have mastered text. I like sh### my dad says better.
