## Synopsis

She needs a fake fiancé so her well-meaning family will get off her back. She just never expected them to suddenly show up on her doorstep a couple weeks before Christmas, wanting to spend the holidays with her. So she turns to Nolan Connor, her sexy best friend, and asks him for the favor of a lifetime: she needs him to act the part of her fiancé until her parents leave town. He wants forever. Pretending to be engaged to the woman he's already fallen for? No problem. Nolan agrees to Miranda's fake engagement scheme because as far as he's concerned, she's the one. But he plays his role too well, because soon the entire town thinks they're engaged and things get more complicated—especially since he can't pretend with her anymore. Then tragedy strikes and Miranda tries to shut him out, but Nolan won't let her. He'll do whatever it takes to convince her that he wants to make her his forever.
