Samurai Kids #2: Owl Ninja

Synopsis

The uniquely talented samurai kids are back and ready to join forces with a ninja clan! As the fast-paced martial arts series continues, across the valley, a drumbeat echoes. For ten days, the drum will call the mountain ryus to war, including the samurai kids from the Cockroach Ryu. Only Japan's feudal emperor can stop the war, so Niya and Sensei Ki-Yaga set off on a grueling journey with all the Cockroaches, whose firm friendship and unusual skills must be put to the test in order to beg the Emperor to maintain peace. Sensei Ki-Yaga is respected and wise, but unfortunately, the last time he encountered the Emperor, the Emperor threatened to cut off his head. All seems hopeless until Ki-Yaga guides the Cockroaches to meet with the Owl Ninja clan. Samurai and ninja are supposed to be enemies, but can these two groups somehow work together to save the sensei and stop the battle in time?

Customer Reviews

In this sequel to *White Crane* (2010), the handicapped but talented students of the Cockroach Ryu school set out with their ancient samurai master, Ki-Yaga, in hopes of persuading the emperor himself to put a halt to an impending war. Along the way, they encounter a ghost, train as ninjas in a secret school, and once again make the arrogant, blustering master of the rival Dragon Ryu look like a fool. As before, there's plenty of horseplay, significant instruction in traditional samurai values, a little Zen, a bit of suspense, and a generous number of evocative, accomplished illustrations. Grades 5-8. --John Peters

Sandy Fussell lives in Australia, works in information technology, and loves history. The Samurai Kids series is her first literary venture. Rhian Nest James has illustrated more than sixty children's books, including Samurai Kids: White Crane. Born in Wales, she now lives in Australia.

very good

I think that Owl ninja is a really good book for young readers with a sense of adventure and fighting.

My son thought the book was fascinating. He'd read the first one in the series and looks forward to reading the third.

MY 6 YO GRANDSON IS VERY INTERESTED IN SAMURAI. THOUGHT IT WOULD BE A GOOD "CHAPTER" BOOK WHEN I READ TO HIM. IT SOUNDED LIKE IT WOULD BE AGE-APPROPRIATE BUT GAVE NO AGE GROUP. IT'S DEFINITELY SOMETHING TO BE PUT AWAY FOR WHEN HE'S OLDER.

My 9 year old only read about half of the book. He said it was boring (now this is a kid who loves to read and reread books) but my son likes books more like diary of a wimpy kid books.

I thought the first book was good, but this is a masterpiece! perfect for children and adults. I am an adult martial arts instructor and loved this book beyond words. It is filled with great life lessons along with excitement and suspense. very detailed. I picked the audible version and the voice actor is spectacular ! You cannot go wrong here!

Satisfied. just OK . They look amazing and cutting food smoothly. my husband thinks it is amazing , so fast, receive it next day .

One of the best stories I've read in a long time. An excellent companion to her first book, "White Crane".
