## Customer Reviews

Who does not love a teddy? This is a comprehensive guide to making your own heirloom bears. Discover the tools and materials, know-how and techniques to get make your own bears. Full-sized templates are included for the step-by-step projects. See how to create features and clothing to give teddy some character. This book is full of inspiration. Care and repair are also included. Superb book for any bear fanatic. \* [Yarnsandfabrics.co.uk](http://Yarnsandfabrics.co.uk) \*

Sue Quinn has been designing and making teddy bears and other animals since childhood. After moving to Scotland she developed her range and sold to small shops in the area. She named the business Dormouse Designs, as one of her first creatures was a small felt mouse called Timothy. Her collectable bears are now so sought-after that Sue's work can be found in teddy bear museums in Britain, Japan and collections worldwide.

Awesome book; great instruction manual.
