# Horngren's Accounting, The Financial Chapters (12th Edition)

## Synopsis

For courses in Financial and Managerial Accounting. Expanding on proven success with Horngren's Accounting, The Financial Chapters present the core content of principles of accounting in a fresh format designed to help today's learners succeed. As teachers first, the author team knows the importance of delivering a reader experience free of obstacles. Their pedagogy and content uses leading methods in teaching critical foundational topics and concentrates on improving reader results--all tested in class by the authors themselves. With this in mind, the 12th Edition continues to focus on readability and comprehension and takes this a step further in the managerial chapters by employing a new theme to help readers see how managerial accounting is used as a tool to help all business people make decisions. By providing more meaningful learning tools, this title helps readers clear hurdles, like never before. Also available with MyLab Accounting MyLab Accounting is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MyLab Accounting does not come packaged with this content. Students, if interested in purchasing this title with MyLab Accounting, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. ## Customer Reviews

Tracie L. Miller-Nobles, CPA, received her bachelor's and master's degrees in accounting from Texas A&M University and is currently pursuing her PhD in adult learning also at Texas A&M University. She is an Associate Professor at Austin Community College, Austin, TX. Previously she served as a Senior Lecturer at Texas State University, San Marcos, TX, and has served as department chair of the Accounting, Business, Computer Information Systems, and Marketing/Management department at Aims Community College, Greeley, CO. In addition, Miller-Nobles has taught as an adjunct professor at University of Texas and has public accounting experience with Deloitte Tax LLP and Sample & Bailey, CPAs. Miller-Nobles is a recipient of the Texas Society of CPAs Rising Star Award, TSCPA's Outstanding Accounting Educator Award, NISOD Teaching Excellence Award and the Aims Community College Excellence in Teaching Award. She is a member of the Teachers of Accounting at Two Year Colleges, the American Accounting Association, the American Institute of Certified Public Accountants, and the Texas State Society of Certified Public Accountants. She is currently serving on the Board of Directors as secretary/webmaster of Teachers of Accounting at Two Year Colleges, as a member of the American Institute of Certified Public Accountants nominations committee, and as chair of the Texas Society of CPAs Relations with Education Institutions committee. In addition, Miller-Nobles served on the Commission on Accounting Higher Education: Pathways to a Profession. She has spoken on such topics as using technology in the classroom, motivating non-business majors to learn accounting, and incorporating active learning in the classroom at numerous conferences. In her spare time she enjoys spending time with her friends and family and camping, kayaking, and quilting.

Brenda L. Mattison has a bachelor's degree in education and a master's degree in accounting, both from Clemson University. She is currently an Accounting Instructor at Tri-County Technical College in Pendleton, South Carolina. Mattison previously served as Accounting Program Coordinator at TCTC and has prior experience teaching accounting at Robeson Community College, Lumberton, North Carolina; University of South Carolina Upstate, Spartanburg, South Carolina; and Rasmussen Business College, Eagan,

Minnesota. She also has accounting work experience in retail and manufacturing businesses. Å Å Mattison is a member of Teachers of Accounting at Two Year Colleges and the American Accounting Association. She is currently serving on the board of directors as Vice President of Conference Administration of Teachers of Accounting at Two Year Colleges. Å Å Mattison previously served as Faculty Fellow at Tri-County Technical College. She has presented at several conferences on topics including active learning, course development, and student engagement. Å Å In her spare time, Mattison enjoys reading and spending time with her family. She is also an active volunteer in the community, serving her church and other organizations. Å Å Ella Mae Matsumura, PhD is a professor in the Department of Accounting and Information Systems in the School of Business at the University of Wisconsin–Madison, and is affiliated with the university’s Center for Quick Response Manufacturing. She received an AB in mathematics from the University of California, Berkeley, and MSc and PhD degrees from the University of British Columbia. Ella Mae has won two teaching excellence awards at the University of Wisconsin–Madison and was elected as a lifetime fellow of the university’s Teaching Academy, formed to promote effective teaching. She is a member of the university team awarded an IBM Total Quality Management Partnership grant to develop curriculum for total quality management education. Å Å Matsumura was a co-winner of the 2010 Notable Contributions to Management Accounting Literature Award. She has served in numerous leadership positions in the American Accounting Association (AAA). She was coeditor of Accounting Horizons and has chaired and served on numerous AAA committees. She has been secretary-treasurer and president of the AAA’s Management Accounting Section. Her past and current research articles focus on decision making, performance evaluation, compensation, supply chain relationships, and sustainability. She coauthored a monograph on customer profitability analysis in credit unions. Å Å
