Customer Reviews

recommend it to my friend. This bread product is by far the best bread product I have ever owned! As a former Chef, kitchen tools are very important to me. I have an extensive collection of products and am always looking for the best tools. This is not only an excellent bread product, at a good price but a beautiful design and feels great in my hand. It is sharp and effective. I am so happy with it I bought two and have put it on my gift giving list for years to come. If you enjoy great kitchen tools this product should not be missed! he love it, as description. good product with high quality.

This product would have been very helpful had I ever received it. Albris (the seller)claimed that the item shipped a few days after I placed the order. However after 15 days I had not received the product. I contacted them and they claimed they could not do anything until 30 days out. After 30 days and not having received the item, rather than attempting to send me a replacement they just gave me a credit for the charges. While I'm happy with the time line in which I received the credit

after the 30 waiting period, I am not happy at all that I don't have the item. I would purchase this product again, but NEVER FROM ALBRIS.
