Roberta's Cookbook

Synopsis

The Brooklyn destination the New York Times called "one of the most extraordinary restaurants in the country" which began as a pizza place and quickly redefined the urban food landscape releases its highly anticipated debut cookbook. When Roberta's opened in 2008 in a concrete bunker in Bushwick, it was a pizzeria where you could stop in for dinner and stumble out hours later, happy. It's still a down-the-rabbit-hole kind of place but has also become a destination for groundbreaking food, a wholly original dining experience, and a rooftop garden that marked the beginning of the urban farming movement in New York City. The forces behind Roberta's chef Carlo Mirarchi and co-owners Brandon Hoy and Chris Parachini share recipes, photographs, and stories meant to capture the experience of Roberta's for those who haven't been, and to immortalize it for those who've been there since the beginning.

Book Information

Hardcover: 288 pages

Publisher: Clarkson Potter (October 29, 2013)

Language: English

ISBN-10: 0770433715

ISBN-13: 978-0770433710

CARLO MIRARCHI is a self-taught chef and co-owner of Roberta's and Blanca, two restaurants in Bushwick, Brooklyn. He was named one of Food & Wine's Best New Chefs of 2011 and has garnered wide acclaim in the New York Times, Bon Appétit, and publications worldwide. CHRIS PARACHINI and BRANDON HOY are cofounders of Roberta's and Blanca and helped establish the Brooklyn Grange, New York City's biggest rooftop farm, as well as Rippers, a waterfront

restaurant in the Rockaways in Queens. Mirarchi, Parachini, and Hoyâ™s food and aesthetic has appeared at the South Beach Wine & Food Festival, SXSW, Art Basel, and elsewhere. KATHERINE WHEELOCK is a writer and editor who has contributed to Food & Wine, the Wall Street Journal, GQ, and others. She works at Robertaâ™s.

This is one of the most readable and useful books on cooking in my library. Mirarchi's pasta dough and pizza receipts are honest and excellent, and the book as a whole is admirably unpretentious.

It's like the momofuku book but pizza instead of ramen. The Gelato recipes are killer! Plus they have a pizza called the cheezus christ.

If you love great food and expanding upon the range of ingredients you'd normally work with, this goes far beyond just pizza. Watching Roberta's open, grow and flourish over my years in Brooklyn, the stories provided within also make this a great book for nostalgic value.

excellent

I have over 75 books on pizza and I would rate this book somewhere in the middle. Not because it's not a good read or not enough information. I thought this was a pizza book. Turns out, pizza is only about 10 % of the book. The rest is their restaurant recipes, which a lot of people might like. Especially, if they are customers of Roberta's.

We love visiting my son who lives in Brooklyn. We love eating Pizza at Roberta's so of course we love the cook book, also!

I want to try this restaurant the next time, I am in New York. Nice addition to my over 2,000 cookbook library.

Best pizza recipes. Ever.
