Customer Reviews

Holt Handbook: Third Course

The book itself was cheap and in really really good condition, it almost seemed brand new. My daughter used this when she was in 7th grade and it taught her all the grammar she knows, even up to her senior year of high school. There's exercises with each topic, which is explained clearly and easy to understand. I love it.

Fast delivery! Item as described.

Good quality.

Product received in a timely manner and was exactly as described.

Was in great shape!

In Good condition

I got the book for less than it cost to ship, and it was in great condition. Shipped very quickly.

The book was in excellent shape, and I really appreciate the speed at which it was shipped to me. The price was great too! Very happy with this purchase experience.
