## Customer Reviews

KODAMA NAOKO is a Japanese manga creator best known for NTR - Netsuzou Trap.

Amazing Yuri manga so far there is a lot of sexual tension and heavy feels that made me feel both happy and sad. This manga offers a good roller coaster of emotions. If you like Yuri check this volume out as well as the first volume.

Love this manga so much

I thought NTR Netsuzou Trap got off to a good start and Volume 2 keeps things going. Yuma is deeply confused. Is she simply going through the motions with her boyfriend Takeda? Takeda seems like a nice guy but he also thinks they should spend time apart until Yuma works things out. The poison in the mix is Hotaru's boyfriend Fujiwara. He suspects that there is something going on between the girls and hints at this to Takeda. If that weren't enough, he tells Hotaru and Yuma that if they are getting it on, he'd like a piece of the action. To top it all off, there is evidence that Fujiwara has hit Hotaru. Volume 2 definitely draws readers in and creates sympathy for Yuma and Hotaru. Yuma is a young woman torn apart and not sure what to make of her feelings for Takeda and Hotaru. Hotaru is a cocky teenager convinced she can handle things even as readers will realize she's probably in over her head. Fujiwara establishes himself as the villain of the story and he is appropriately nasty. After the main story, there is a little bonus feature. Noako Kodama wrote in the first volume that in her initial conception, Yuma and Hotaru were young housewives. This feature gives us an idea of what that might have been like. NTR Netsuzou Trap is proving to be a captivating drama.

In the first volume of this series, a teenage girl is being forced to have sex with her boyfriend. In turn, she begins raping her best (female) friend. In the second volume, her own abuse escalates. Now she is not only being raped, but also beaten by her boyfriend. Meanwhile, the female friend she is forcing herself on tries desperately to keep her relationship with her own boyfriend intact. In the end another boy takes pictures as her female friend is molesting her, then he asks if they can have a threesome. This manga revolves around a sickening cycle of abuse, and not only will I not continue reading the series, I'm returning the two volumes I purchased for a refund.

The Yuri is so good in this one almost as good as citrus

Wanted more romance between the girls. Not JUST foreplay. Also the end of vol 2 made me SICK. Reading him say that made me extremely uncomfortable.
