Customer Reviews

I have not finished reading all of this book but, what I have read has been eye opening and uplifting. I would recommend it to any Christian looking to learn more about and do more for the Lord.

A wonderful insight into the fact that God designed man to be a person of prayer at all times. The author also explains sincerely and clearly the need for man to be constantly speaking to God as we live our days under His protection.

Most of what you can find in the majority of the Christian libraries of today's days, regarding spiritual warfare, is basically a contaminant for the pure doctrine. Some of this new teachers put their biggest emphasis on learning about the different kind of demons, how to break supposed curses in the life of new born Christians that they received as an inheritance from their ancestors. All of those are lies introduced by the devil through these false preachers and teachers. But here in this book you can find real biblical teachings regarding the way to conquer the presence of god in your life. Excellent digital book.

Absolutely out of the top drawer. E.M. Bounds knows about prayer and he shares with simplicity and passion. This is a book every Christian should own and read often.

This is a book for everyone's personal library that will take time to read as there is so much to meditate upon. So encouraging to have such an example of a praying man of God.

Collection of articles of E. M. Bounds on prayer. Mr. Bounds writings on prayer are considered the gold standard that has stood the test of years. Must read of Christians wanting more about a praying lifestyle.

For only 1 dollar this was a really good deal! A lot easier to carry around
