SANDRA BOYNTON is the beloved author and illustrator of over fifty books, with more than 30 million of them in print. Since 1975, her well-known greeting cards have sold more than 300 million copies, "mostly to family and friends," she says. She was the recipient of the 2008 Milton Caniff Lifetime Achievement Award, the National Cartoonists Society's highest honor. Boynton is also a Grammy-nominated record producer and songwriter. Sandra lives, works, and goofs off in the foothills of the Berkshires.

I LOVE this book! We received this book just a few days ago and we have already read it about 20 times. My son LOVES it! I love most Sandra Boynton books but this one is becoming a quick favorite. I was looking for a Halloween book when this released and I was so excited because I knew it would be good just because it's Sandra Boynton and well I was right. The story is cute about

Pookie trying on all sorts of costumes for Halloween. That is exactly what my son has been doing too! Daily we change from Batman to Jake to Buzz. I have no idea which one he will choose on the day of Halloween but that's what it's about and this book teaches him to be who he wants to be!

We started our collection of Boynton books with *Are You a Cow?* that I read to my granddaughter so often I knew it by heart and this book is adorable for Halloween! We love Ms Boynton's sense of humor when she writes for the little ones.

The Good: Pookie just can't choose a costume! It's full of cute pictures and relatable headaches experienced by parents in the month of October. This is a great short easy read to bring out around Halloween. If you have any little ones (late kindergarten to 1st grade) this is a great book to practice with. The Bad: I do wish the book was a little longer. Pros: -Great pictures -Easy read for beginning readers Cons: -A little short Buy again: -Absolutely! My grandson's favorite book -- he insists on having it on any car trip. He reads it over and over while in his car seat. OK, reading may be a stretch as he is currently 18 months but he grabs it as soon as the car seat belts click tight. And he never seems to grow tired of hearing the words or seeing the illustrations.

This is an adorable little Halloween book. I bought it for my baby granddaughter for Halloween. At 9 months old, I doubt she appreciates how cute it is yet, but she does seem to enjoy Boynton's charming, colorful illustrations (as do I!) and the rhyming prose. I know I enjoy reading it to her and that we'll both enjoy it for years to come.

My son enjoys reading all of Sandra Boynton's books, but the Pookie books are his favorites! Every night we read a few small books before bedtime and whenever he sees a Pookie book he exclaims "Pookie!" with joy and it has to be the first one we read. I purchased this book to get him excited about Halloween and to practice saying "Trick or Treat" before the big day. He likes looking at the different costumes Pookie tries on and calling out their names. We're still working on saying "Trick or Treat", but this book is a definite treat to read!!

This is a very cute book for Halloween that my toddler boy really likes & I enjoy reading it to him

I love Boyton books! This is one of my favorite halloween books too. Its very fun and cute plus i think it helps kids understand the concept of costumes.
