## Customer Reviews

I love it. It's hard to find Autumn coloring books that aren't Halloween and this is a perfect Autumn book. So if you want Autumn and not Halloween order this book! Plus Jamesa's style is awesome.

This is a nice, simply draw fall book. I love the pictures. They are fun and not too busy or detailed.

This book is geared towards the whole family. It is something you won't be embarrassed to color around everyone or anybody. Adorable little pages to color. All concerning autumn. I mean this book is spot on and adorable. All single sided pages and just too cute not to have.

Very thin pages, which tore easily and anything other than a colored pencil leaked through. Not much variety and overall just a disappointment.

Lovely book. The designs really got me into that "autumny" mood. :D

## Love the Pictures

Omg this book is so amazing! I love all the fall photos & sayings. This is one book I'll cookie every page of!

More for a child than adult. Thin pages
