"Days of our Lives hasn't just been in our homes for 50 years. It's also in our DNA, packing a power and punch that is incomparable in the daytime drama landscape. This beloved show is famous for its epic twists and crazy turns: Premature burial! Biblical plagues! Demonic possession! But this is not what keeps us loyally devoted and coming back, year in, year out. We return for the love—love of romance, love of friendship, love of family. When we make our daily trip to sleepy little Salem to visit with the Brady and Horton and Kiriakis clans, and even those impossible, badass DiMeras, we feel a marvelous sense of bliss and comfort and connection. This show is so much more than entertainment. It makes us feel like we've come home." Michael Logan, TV Guide Magazine "Playing the beloved character Marlena Evans on Days of our Lives has been the highlight of my career. She is a revolutionary character... a strong, independent, successful career woman who believes her role as both a wife and a mother come first. Over the years she has become the ultimate heroine and continues to be an inspiration to women of all ages around the world." Deidre Hall, MARLENA EVANS, Days of our Lives

Love my book !! Worth the price great pictures and the stories are the best. Love seeing the fine detail of the book. I have watched days for over 50 years and this is my first book. I feel like I'm part of this family and seeing Tom and Alice is such a true treasure along with other actresses and actors that have passed is great. And seeing the ones that are older now at a much younger age is fantastic. And many have left that are in the book. I got my copy early and am very pleased with it. My husband got it for me for our 9th Anniversary. I wanted to go to the Days book signing in NY it was your ticket in if you bought the book and you could get it sign by some of the actors and actresses but I have medical problems and no spleen due to cancer. So that was a no lol. But I'm happy with my book. You won't be disappointed if you get the book if you're a true days fan like I am..

When I ordered this book I wasn't sure that they could encompass 50 years in one book. Boy was I wrong. It has the super couples and all of the main plots that has happened in the last 50 years. I love how when I looked through the book I was immediately transported back to when I was younger watching Days with my Granny. This has become my favorite book and I have over 2,000 books. If you're a Days of Our Lives fan then you need this book. It has the different weddings with Marlena and Roman's famous vows about love, it shows Bo with Carly and their Aztec wedding. It's the best book for a fan that there is. I highly recommend buying this book for the DOOL fan in your life.

Since the age of six I've been a life long soap opera watcher. Just like many who started it was passed to me from the women in my family as we watched the CBS soaps. Once I got older developed my own taste and that's when I found Days at the age of thirteen in the summer 1997. I was instantly hooked by the soap's storytelling and its shining stars and hellcat, schemer characters in Alison Sweeney's Samantha Gene Brady and Eileen Davidson's portrayal of Kristen Blake Dimeras and her multiple personalities and beautiful romantic heroines Hope Williams Brady played Kristian Alfonso and Marlena Evans by the one and only Deidre Hall! Once I became a fan of the show there was no turning back. I had to read the history and started watching all the older storylines on social media get to know these colorful characters. 'Days of our Lives 50 Years' chronicles history of Salemites first family The Hortons led by Tom and Alice Horton. The blue collar, tight knit Bradys. The organized crime families in The Dimeras and Kiriakies clans to name a few. You're also taken down memory lane with the best adventures, supercouples, storylines, heartbreaking moments, and wedding interruptions. The coffee table book has beautiful photographs from black and white to colored pictures with quotes from those who help create the magic behind the scenes and the actors who bring the characters to life on screen. The book is an excellent get for any old and new Days fan whether you're getting it for yourself or as a gift for someone. It's without a doubt a worthy purchase and one can recapture the magic anytime they want.

One of the best Anniversary books. Has all the photo history of characters and stories that are most memorable between family members. This book brings back a lot of good memories.

Missing some key people in this book. Like EILEEN DAVIDSON! What about more DOL from the 70s? I suppose that can't put it all in this book, but I thought some key people were left out. I am still happy with my purchase. Check your supermarket for a DOL magazine that's out right now.

I ordered this book for my mother as she isn't good at online transactions. She knew this book was coming out and as someone who watched the show from the day it started, she wanted it very much. When she asked me to order it and I told her the price she was shocked that the price was far lower than she expected--thanks ! It also said it would take a few extra days to process and she was going away so I took the slow delivery option. To my surprise it still came in 2 days. My mother is still pouring over the book. She said the pictures were very good and of course she found all the history fascinating. She started to watch the show because she was home with me, as a baby. In the days before VCRs and DVRs it was not unheard of for me to have to watch after school and report if she had to miss it, so this book reflects a big part of her life experience. She is very pleased with every aspect of the purchase.

For fans of Days Of Our Lives, this book is the one that starts with Tom and Alice Horton and follows their family for 50 years. Young characters never growing older. It includes both new life to grow up in the show, and real life tributes to the characters that die. The book is a real tribute to the actors and writers that have kept the day time drama alive for 50 years.
