I'm Staying With My Boys: The Heroic Life Of Sgt. John Basilone, USMC

Synopsis

I'm Staying with My Boys is a firsthand look inside the life of one of the greatest heroes of the Greatest Generation. Sgt. John Basilone held off 3,000 Japanese troops at Guadalcanal after his 15-member unit was reduced to three men. At Iwo Jima he single-handedly destroyed an enemy blockhouse, allowing his unit to capture an airfield. Minutes later he was killed by an enemy artillery round. He was the only Marine in World War II to have received the Medal of Honor, the Navy Cross, and a Purple Heart and is arguably the most famous Marine of all time. I'm Staying with My Boys is the only family-authorized biography of Basilone, and it features photographs never before published. Distinctive among military biographies, the story is told in first person, allowing readers to experience his transformation, forged in the horrors of battle, from aimless youth to war hero known as "Manila John".

Book Information

Paperback: 368 pages

Publisher: St. Martin's Griffin; 1 edition (February 2, 2010)

Language: English

ISBN-10: 0312611447

ISBN-13: 978-0312611446

Customer Reviews

“Everyone should read this book, the story of a true American Hero. I served with John Basilone and I can hear his voice in every page.”
— Thomas O. Nass, 5th Marine Division, WWII

“This book about the legendary John Basilone is presented in such a personal style that one would believe that "Manila John" is still alive. Not since William Manchester authored his memoir GOODBYE DARKNESS twenty-five years ago has a book been written about one man that seems so authentic.”
— Col. Ken Jordan, USMC, ret.

“A lot has been written about my brother in the war, but it's important to know his whole story. This book tells the story of John as a boy, a teenager, and a man. Every student should study and learn from

it.Ãçâ ¬Â• Ãçâ ¬â çCarlo Basilone, John's brother

Jim Proser is a writer and film producer. He lives in California. Jerry Cutter is the nephew of Sgt. John Basilone. His current projects are the documentary and feature film versions of his uncle's story. He lives in Hilton Head, South Carolina.

Great read for any past, present, or future Marines. It's also on the CMC Reading List.

Very exciting and readable. But I am always curious how accurate a book is when it is written in detail from the first person perspective by someone dead for sixty years.

great story of a great american who gave his all

Great book and easy reading. Wish America had more people like Sgt. John Basilone.

Well thought out and written.

This is probably the best of more than 100 books that I have bought from .A story that all America should be aware of.It truly makes me proud to say that I am an American, and just wish that I had a fraction of the stuff this subject was made of.

Sgt. Basiline does indeed deserve better, as several reviewers have noted. I am surprised and disappointed that the Basilone family would think it ok to have this book get their blessing. There is so much soap-opera-ish nonsense that cannot possibly be verified after all this time. It is written as if Basilone is speaking/writing the words, but he's not. Skip this tripe and stick with With the Old Breed and Helmet for My Pillow.

There is always room for improvement.
