# The Girl With The Make-Believe Husband: A Bridgertons Prequel

## Synopsis

With her brother, Thomas, injured on the battlefield in the colonies, orphaned Cecilia Harcourt has two unbearable choices: move in with a maiden aunt or marry a scheming cousin. Instead she chooses option three and travels across the Atlantic, determined to nurse her brother back to health. But after a week of searching, she finds not her brother but his best friend, the handsome officer Edward Rokesby. He's unconscious and in desperate need of her care, and Cecilia vows that she will save this soldier's life, even if staying by his side means telling one little lie. When Edward comes to, he's more than a little confused. The blow to his head knocked out three months of his memory, but surely he would recall getting married. He knows who Cecilia Harcourt is - even if he does not recall her face - and with everyone calling her his wife, he decides it must be true, even though he'd always assumed he'd marry his neighbor back in England. Cecilia risks her entire future by giving herself - completely - to the man she loves. But when the truth comes out, Edward may have a few surprises of his own for the new Mrs. Rokesby.

ASIN: B06XYRL8SQ

Best Sellers Rank: #105 in Books > Audible Audiobooks > Romance > Historical #2714

in Books > Romance > Historical #3033 in Books > Romance > Romantic Comedy

## Customer Reviews

Julia Quinn has created such a vivid world in her books and honestly I cannot get enough of her period romances. I have read all the Bridgerton books numerous times. This book is well written, funny and introduces some more charming characters. I enjoyed this book more than "Because of Miss Bridgerton" but I loved Billy's story as well, this book just had a broader landscape. Over all I would recommend reading this book if you love other Julia Quinn publications.

If you loved the Bridgertons, you absolutely must read this book. It's full of the humor and romance that Julia Quinn writes so well. If you've never read any of Julia's Bridgerton stories, by all means start here and just keep on going!

Even though the story was not my favorite, the author has such a gift for storytelling and bringing characters alive! Lovely, lifelike, human characters; a bit of a weird love story, endearing though; witty dialogue. Julia Quinn can always make me smile!

I have enjoyed all the Bridgerton books and look forward to the next one. I am unable to stop till finished.

I've read all of Julia's books. She is my favorite historical author. This book didn't disappoint either. Once I started reading I was hooked and had to keep going until the end. Another sleepless night, but totally worth it. Thanks for another fun book, Julia!

Very disappointing. The plot really was based on nothing and I couldn't connect with the main characters at all.

This story is what you would expect from Julia Quinn. I have enjoyed each story of hers that I have read. She wraps you in the world of her heroes and heroines and all of the books that include the Bridgerton family are entertaining and captivating. You will not want to put this one down!

I really enjoyed the set up and the travails the lovers faced in Colonial America. The book was fun, funny, and had enough intrigue to keep you going. When I realized it was book 2 I immediately got Billy's book to follow up.
