Katie Wood fell in love with drawing when she was very small. Since graduating from Loughborough University School of Art and Design in 2004, she has been living her dream working as a freelance illustrator. From her studio in Leicester, England, she creates bright and lively illustrations for books and magazines all over the world.

Every book by Jake Maddox has been a reading treat for my 8-year-old granddaughter. They are the first books that make sports and competition sound like fun for otherwise "girl" girls! Softball, soccer, swimming, etc., have all been fun reading for this level.
