Mr. Ellis' insight to autograph collecting and fund-raising has been a major factor in the long standing success of many national charity events. When Mr. Ellis is not writing he enjoys photography and fishing in the streams of northern Wisconsin and Canada. Mr. Ellis lives in River Falls, Wisconsin and can be contacted through the publisher.

The book is filled with many of the names and addresses that will be helpful to fulfill a classroom assignment. It is reader-friendly. The proof will be if we do not receive many returned letters with bad addresses. I am hopeful.

hard to read

I recently purchased The Celebrity Address & Autograph Collector's Guide to obtain addresses for a Non-Profit Charity promotion. The addresses I got were accurate and got good results. We had a good response from celebrities.

I did not have much success with the addresses in this book. There is a free site on line with which I was more successful. Most of the addresses are to agents and who knows if the one I received back are ghost writers. I prefer to write to home addresses. Sorry I purchased this book
