Let's face it - staying abroad in a place unknown to you can be quite a challenge. Knowing what to do, where to go and what to look out for can take a bit of learning and if you're not prepared beforehand, a whole trip can be wasted trying to figure it all out. Fortunately, this book - based on the popular destination of Greece - really does a good job of laying out all of the major attractions, hotels, landmarks, restaurants, travel options and more in Greece's four main cities. The information on offer is extremely detailed so whether you're in Greece right now looking to get around and enjoy yourself, or if you're going to Greece sometime in the future and trying to get prepared you will find all that you need to know here. 5 Stars!

This Kindle book is not a bad look at Greece for the price (free). It has a list of places to eat, thoughts on ways to get from place to place and estimated costs. You will also find some insights in this book that would be helpful. Worth downloading and reading since it is quite short.

I love this travel guide ebook. I am of Greek heritage and in fact I use to live in Greece. I love how the author explained in detail of the ancient sites to visit, and she mentioned some great places. I am visiting Greece in Fall of 2016 and can't wait to use her book as a guide. I highly suggest this ebook!!

Terrible book. Bought for niece and the book is more like a high school essay.

I should have known that at the low price I paid that the information would be minimal. Maybe if I had never been to Greece and had limited vocabulary, I would have found the information useful. My fault for not reading all the reviews.

Not much to it. Quite disappointing.

Travelling is my ultimate passion. Greece is my lovable travel destination. While I was searching for books in kindle store to learn about travelling greece, I came across this book. It was an exceptional travel guide. A must read if you are planning to travel to greece now or in near future.

It is a simple tourist guide. There isn't enough information to people who is interesting in the culture/ history of Greece.
