Customer Reviews

This was my first time reading anything by this author . At first I was a little apprehensive but I'm glad I kept reading. The ending left me surprise and I love it. This isn't a predictable read which I appreciate. I thought it was a good read and can't wait for book 2.

An exciting read until they skilled 8 years then I was pretty much lost for a few seconds. Lol. Bt I loved it and can't wait for part 2

Pretty good...waiting for the rest wasn't expecting it to be so short

When is book two coming out

Apparently doesn't really want your honest review, I mean who edits a book review. Isn't that what it is, the customer view point about a book. This book was on the childish side to me. Even though the book was about Journee and Juelz, I like Nikki and Skeet a whole better. Juelz was suppose to be so in love with Journee, yet he cheated on her with Giselle. Then gets made when Journee walked about. Yet he didn't continue to mess with Giselle, and didn't her get her pregnant? Then for the book to mention or hint at the fact that Journee had a baby. When Juelz, finds out he shoots up a whole restaurant, with the a child sitting there. Ok, Nikki you that's shit didn't make no sense what so ever. Please take time you time to really put your all and all into book too

LOVED LOVED LOVED....momma Julissa was the truth and Ms. Val is the same. I love Nikki & Skeet she don't play about her man. Now that Giselle and her cousins got what they should've now Journee had to grow up fast but she handled it well... but her heart was not once but twice.....now Juelz was young and dumb and probably thought Journee being young he could get away with his. Tuh she showed him...I hope he gets it together....dont like Kairo he was to quick to want to be with Journee, bet he got a bunch of wives Journee should've waited....REALLY YOU LEFT US HANGING LIKE

THATÃfÃ Ã Å,Ã ÅªÃ Åª....you so wrongÃfÃ Ã Å,Ã ËœÃ Å£, hurry up with part 2. You did your thang Nikki ÃfÃ Ã Å,Ã ËœÃ â,,ç

I like this book in the beginning but yall always make the woman run off with the child 8 years and she couldn't tell him that why a lot of these story r the same nothing is different then she leave he cheated I just read a book about the same think 2 days ago , I don't think I'm going to read part 2. Big bad journee I though she was different I thought her Character was bold but prove to be weak 8 years I don't think that's fair how u fix this I don't know. Stop making these woman seem so strong but yall make them weak they can talk a lot of shot then they runoff but can't be woman enough to tell the men the pregnant, don't give them slick mouth if they going to turn weak in the end.

I chose this rating because of all the action and entertainment from the streets, friend's and couples. This was a great story and it just got real. I would have never had thought that it was like that. I'm glad that the truth finally came out and I hope that can get back together and become a real family. I hope that it don't cause any problems for Nikki and Skeet because they were always trying to be nurture and not take sides. I know he didn't shoot her because he has to much love for her. Everyone deserves to know there father, but I still don't believe that she kept this from him for seven years. Can't wait for the next chapter to drop.
