Definitely a page Turner! Not one boring moment in this book! Highly suggest reading the entire series! I loved this book! Gr8 Job, Toya!

Don't know where to begin. Loved it, had me in tears. You knew how to end the final book. Thru it all they stood by one another. Blaze is a stone cold fire ÃfÃ Ã ÅÃ â •Ã Å¥ nut! What he did to Juicy, he still would be getting punched. The "Shirree" BBQ had me in tears. Mama didn't play when she finally found Rico..,There were so many parts I could mention..this book series I would recommend to everyone! Outstanding job....If I could give more than 5 ÃfÃ Å-Ã Å•ÃfÃ Ã ÅÃ Å•, I would...

LaToya Nicole you did it with this one. Like this book was everything I wanted and more. I feel like you put a lot in this book to right your wrongs from the previous book lol. I laughed out loud so much in this book. My son kept saying what's so funny. Blaze a straight fool in this one. The Hoover Gang is one of the best families I have read about. You brought each character to life very well.

This has been one of the craziest series and I mean that in a good way. For the most part you will be crying laughing at the Hoover gang. If you have never read anything by Latoya then I suggest that you start, she will have you wanting more. Latoya keep up the good work. Can't wait to see what you come out with next.

Laughed so look hard in part 1,2 and 3. Family of men were full of nutcases Blaze, Blaze he truly lived up to his name. Babyface and Quick finally got it together, my New Book Bae is Shadow and his non working eggplant lml. Can't wait until September for your collaboration and new standalone

Left off exactly where part 2 ended, this series ended perfectly. The Hoover brothers are back and out for revenge. With Blaze back the gang is out to get Tate, Shirree, and Rico. New characters are introduced and secrets are still being exposed. There was a few errors.

Wild ride but definitely worth the read...Blaze is everything!!! I like how the guys matured and finally got their revenge against their enemies, especially Rico fruity self...pick a side ninja pick a side...anyway I was mad Drea married bae but I'll live lol. Happy Quick and Ash got it together...Blaze ain have to flame Juicy hair I cried laughing...The wordplay in this story was awesome and very entertaining and funny lol kudos Latoya Nicole!!!
