Overall this was a great story. I am so that both Keri and Cree got their happy ending because they

deserved it. I just wish that something would've happened to Keri's mom. Shyne was the typical bitter baby mom, I can't for the life of me get why some females that having kids with a guy that they were never in a relationship with makes them their girlfriends. Co-parent in peace. Keep up the great work Zaii.

Zaii awesome series, you had me holding my breath with the Cree situation. The path these ladies took was beautiful phenomenal job

Would give 6 stars if I could!!! I absolutely loved this series!! Nothing was missed in this perfect two part series...MUST READ

Max was a bully, just because your dad beat on your mother that doesn't justify you doing it to Keri. Shyne is crazy baby mama from hell, you show up at his house pull a gun on them and shoot yourself in the stomach, you're a special kind of stupid. Keri's mama was evil, selling her daughter out to get her bills paid. Cree knew that she was going to mess with Ali again. Shyne really surprised me by owning up to her faults. Keri should have known Cobain wasn't going to let her go. Really a good series

Zaii, this was an awesome read and you keep getting better and better with each book, I love your growth as a writer and can't wait to see what's next for you. This book had twist and turns and throw in the action, drama, and suspense that moved at a fast yet steady pace. Loved these characters and their relationships, their chemistry with Cobain & Keir was what made them so likable. Great job how Max got dealt with in the end. Highly recommend this series. Job well done Zaii.

I loved how Cobain and Ali went hard for their girls it's too cute. I bet Dragon didn't expect for Ali to kidnap his whole family and also kill them but that's what he got for underestimating him. Max smh I'm glad that he died which he should have been dead along time ago for what he did to both Keri and Chloe then on top of it all their mother was in on the bs smh just sad, but I love this series Zaii you did it again love. Great read

Good read so glad the girls got their happy ending and that Shayne finally realized that Cobain didn't want her and Max got what was coming to him. I can't blame Keri for cutting her mother out of her life, what real mother would allow a man do treat their daughter like that for the sake of money.

Great ending to this 2 book series that I'm glad wasn't drawn out to more.

I'm so happy almost every body got what they deserved. Her mother need her ass beat tho. But I guess losing her child love was a enough. Cobain and Ali was thugs to everyone but keri Kaylee khole and cree. Love how the author did max at end. Lol at dragon he didn't see that coming.
