Customer Reviews

True, 2nd graders may not be reading the full text of bible, but they will have questions at some point between First Communion & Confirmation. I like all the extra pages w/ info too. Good resource for many different things... scripture, sacraments, rosary... it's definitely a great choice for a special First Communion gift.

This makes a very nice keepsake gift for a first communion. It is not a childrens book, it is a real bible in a gift box. The picture on is of the gift box. The book itself is off-white, bound in a leather-like material, and has gold trim on the ends of the pages. A very nice keepsake gift for a first communion.
