Happy Easter, Mouse!

Synopsis

Join Mouse from *If You Give a Mouse a Cookie* as he goes on an Easter egg hunt! Who is hiding eggs in Mouse's house? This adorable board book combines an engaging Easter theme with a story about colors! This board book with sturdy pages is perfect for toddlers, who will enjoy the simple introduction to colors and counting. Each page has one or two sentences and points out a different color and number of eggs. Starring the ever-popular Mouse, this is a colorful and fun addition to a little one's Easter basket.

Customer Reviews

Join Mouse from *If You Give a Mouse a Cookie* as he tries to figure out who's leaving Easter eggs all over his house!

Laura Numeroff is the New York Times bestselling author of many books for young readers in addition to the *If You Give* series, including *The Chicken Sisters* and *Laura Numeroff's 10-Step Guide to Living with Your Monster*. She lives in Los Angeles, California, and is involved with several children's charities, including *First Book*. You can visit her online at www.lauranumeroff.com. Felicia Bond is both writer and illustrator of *Tumble Bumble*, *The Day It Rained Hearts*, the *Poinsettia* books, and many others. She painted the art for numerous other award-winning books, including those in the much loved *If You Give* . . . series and

the contemporary classic Big Red Barn. She lived for many years in New York and currently lives in Santa Fe, New Mexico.Ã A

My 2 1/2 year old twins love the Mouse books and when I saw this book, I had to get it. It's perfect for young children because it has a simple and easy to follow storyline. The board book is great because it's sturdy and should withstand the toddler years. I like the story because it combines an Easter egg hunt with colors and counting. Each page has one or two sentences and points out a different color and number of eggs. I highly recommend this book to any Mouse fan!

My toddler (almost 2 yr old boy) is really into books and this one is his newest favorite. I always have to read it at least twice in a row! It is a well made board book with nice pictures and colors. It's not too busy but very detailed. And there is a nice surprise at the end when we discover just WHO has been hiding these eggs all over the house! haha

I bought this to put in my daughter's Easter Basket (shes 4). I bought it thinking it was similar to the other story line...of giving a mouse a cookie, and then seeing the chain of events afterwards. But this is not that. It's just the same mouse, but that's it. Maybe it says that on the description, but I didn't see it. My daughter still enjoyed the book. It was just a short read...So just so others are aware...if you're expecting that storyline, this is not the same. But it was great for her basket and we've already read it 10 times (so she must like it). =)

This book is more of a picture book than a story really. That being said, babies do like to look at stuff! I got this for my nephew and I am sure he enjoyed it... I can't be sure as he doesn't talk yet :p Now this isn't no If You Give A Mouse A Cookie, from when I was a lil kid but hey I think it's worth the money to get your kid/relative!

This is not written the way most of the other mouse/moose etc. books are written. He basically finds different numbers of different colored eggs. Its probably a cuter book for 2 year olds but my 4 year old was disappointed with the lack of silly shenanigans that the mouse usually gets into. Just a heads up in case anyone is buying it for the reason I wanted it. But overall it is still a cute, basic book for little kids/toddlers.

My 6 month old loves these mouse books! We've been getting him one for every holiday. They are

so cute! (And not too many words, some longer books he gets bored with before we can finish. But these are perfect!)

It's a Mouse book about Easter eggs and their different colors and helping out the Easter bunny! What more need I say? If your child likes the other books in the Mouse series, he/she will like this one, too. Nothing religious in it, strictly the secular celebration with bunny, baskets, and eggs. My grandsons loved it.

Cute book to address numbers and colors. Detailed illustrations though some parts of drawings are recycled from other mouse books. My kids enjoyed this sturdy board book. I rely heavily on reviews when making purchases so I try to be as forthright and thorough as possible. If you found this review helpful, please indicate so below.
