Noted designer, lecturer, and writer Joanne Fink is the president of Lakeside Design, a six-time Louie Award winner, and author of several books, including the 22nd and 23rd editions of The Speedball Textbook. She is an active member of the Greeting Card Association Board of Directors and was the founding president of the International Association for the Calligraphic Arts.

This is a delightful and thought provoking little book. It lifts your spirit and just makes you feel good. Joanne's illustrations sing with joy. It would be great to give as a gift. It is full of positive affirmations. It gives you a perspective that allows you to feel that you can accomplish anything.

This book is very inspirational and encouraging. I like the illustrations Joanne Fink uses in this book.

I would highly recommend.

I thought that I was ordering grown up coloring book. I will be using as a Christmas gift to someone. I am a Christian and do love the way the scriptures are present. They are peaceful. But I wanted to color.

This is another fabulous book by Joanne Fink. Joanne is a very talented artist whose sharing and generosity knows no limits. This beautiful book is bursting with color and delightfully whimsical illustration featuring Joanne's "zenspiration" style. Not just spiritual inspiration, the book is full of heart-felt, uplifting sentiment. It would make a wonderful gift for graduation or new baby or anyone who just needs a lift or to feel loved. A delightful gem!

Very cute little gift book, I was disappointed because I thought this was a coloring book. However, I can give it as a gift so all is good.

What a wonderful little gift book. Loaded with calligraphy and color, Joanne Fink creates a world of hope and potential with Bible quotes and personal inspiration. She gives us the impression that nothing is impossible in this world and we have the capacity to create change that will benefit those around us. We were created for a reason and this marvelous little book gives you the impression that God made us to make a positive, lasting contribution to life. If you ever had a dream that moves you every waking moment, this is the book for you.

With God All Things Are Possible by Joanne Fink is very inspiring. Love the illustrations and color choices. It made a great gift for my teenage granddaughter to keep her spiritually enriched without the task of preaching about God's love to her.
