Civics flash cards for cut-out This 2014 Spanish-English edition of the popular book features the "flash card" method of reviewing (Question on one page and the answer on the following page). Also includes 100 Civics "Flash cards" in English and Spanish that are designed to be cut-out and used for easy learning.

The 100 bilingual civics questions and answers are presented in 4 different ways:

1. Regular Question/Answer format: (each question followed directly with the answer). This presentation is helpful when you first start studying the questions and answers. It gives you a "bird's eye view" of the questions and answers.
2. Historical order (Logical Order): The same 100 answers are rearranged in a logical, historical order. This helps you to see the relationship among the questions and helps you to better remember the answers.
3. Question on one page and the answer on the following page. This allows you to test your memory and makes memorizing the questions and answers both easy and fun.
4. Bilingual "Flash cards" that are formatted to be cut out and used for easy learning.

The book provides exercises in both reading and writing the official English words and includes:

1. a complete list of the words you must know how to read
2. a complete list of the words you must know how to write
3. sentences reading and writing practice.

## Customer Reviews

Angelo Tropea is an expert at preparing candidates for civil service examinations, and national exams such as the New Citizenship Test. By means of books, software, film and personal presentations, he succeeds in turning what is difficult into something easy and fun to learn. This applies especially to the Citizenship Exam which he has simplified in this citizenship book.

The lady I gave this to study for her citizen exam said it is great.

fast shipping great item

thank you

My grandma loves the bookShe is an American citizen already

Me gusta mucho

hay

Exactamento lo que se necesita!

The book has a grammar error in the title. In Spanish, Y ("and") changes to E before a word beginning with I- or HI-. Instead of "EspaÃ±ol y InglÃ©s", it should be "EspaÃ±ol e InglÃ©s". If they can make a simple mistake like that in the title, I wonder how many more

Spanish mistakes are in the book itself.
