## Customer Reviews

Dr James Mackay was one of the foremost and most prolific authors on stamps and stamp collecting in the world. He wrote over 100 books and thousands of articles on stamps and other collectables, and owned one of the largest private collections of stamps and philatelic material in the world.

THIS IS AN EXCELLENT BOOK FOR LEARNING ABOUT COLLECTIBLE STAMPS FROM AROUND THE WORLD. BEAR IN MIND THAT IT TELLS ABOUT THE STAMPS AND DOES NOT INCLUDE ANY PRICES, SO DO NOT HAVE THOSE EXPECTATIONS.

Good little starter volume for people just getting into stamp collecting.

Great Book

Not a bad nk h o add to your knowledge base

Great book shipped fast

Not only is this book very informative and well-written, but it's full of many beautiful pictures of stamps and the colors are great.

I purchased this as a project for my son and husband. They were thrilled. I cannot wait to see them put this together and start their own collecting.
