Customer Reviews

Very easy to read and helpful. With supplements it is always down to actually using it in deciding how helpful it proves to be. This one helped me and I am pretty sure it will do the same for others. The "Understanding" series is good as I have used previous ones in the past for other subjects. Would recommend.

Great Hornbook for Sec. Reg. Goes through the 33 Act with precision and great detail.

Clear and concise.

Very satisfied with this purchase.
