Too short to contain anything useful

We visited Mykonos after a recommendation from Kimberly at JetSet Life. It was the perfect 'best' vacation for me and my mom. As explained in the guide Mykonos has something for everyone and although at first I thought it was just a party island...it's not at all. it's there if you want to join but it's classy and never in your face. We loved the island of Delos a must see!! They have a great little cafe that has good drinks and food. I loved Mykonos for the simple feeling, the beach restaurants where you can eat with your feet in the sand but as the guide explains if your looking for something more it's right around the corner. They've searched out the best of the best and it's a must read if you are visiting the island.
