I Hate Everyone...Starting With Me

Synopsis

"How do I love thee? Let me count the ways."-Elizabeth Barrett Browning, 1850 "How do I hate thee? How much time do you have?"-Joan Rivers, today, about two-ish Joan Rivers is a groundbreaking, award-winning, internationally renowned entertainment goddess. She's also opinionated - especially when it comes to people she hates. Like people who think giving birth is a unique achievement. Or well-adjusted - a.k.a. boring - ex-child stars who don't even have a decent addiction. With all of her diverse experiences, it stands to reason that Joan has seen, done, said, and heard a lot of hateful things. Thank god, she took notes. Here - uncensored and totally uninhibited - she give the best of her worst to First Ladies, closet cases, hypocrites, Hollywood, feminists, and overrated historical figures. And even when letting herself have it, Joan doesn't hold back in this honest, unabashedly hilarious love letter to the hater in all of us.

Book Information

Audible Audio Edition

Listening Length: 4 hours 53 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Penguin Audio

Audible.com Release Date: June 5, 2012

Language: English

Best Sellers Rank: #200 in Books > Audible Audiobooks > Fiction & Literature > Literary Collections #205 in Books > Audible Audiobooks > Humor > Essays #923 in Books > Humor & Entertainment > Humor > Essays

Customer Reviews

This isn't so much a book as a series of one liners from one of the funniest stand-up comedians ever. I've loved Joan River's humor since her early appearances on Johnny Carson, and this book reads like vintage Joan! I laughed so hard, I scared the cat out of bed and usually the only thing that can do that is a needed trip to the litter box or (if I'm lucky) coughing up a hair ball. Nothing is sacred, everything is a target for her quick wit. If you are easily offended, skip this book. If you like old-fashioned stand-up, click that "buy" button now - it's like a trip back to the Borscht Belt.

I have read a lot of funny books; Evanovich's Stephanie Plum Novels are funny. This is the first book

that made me pee a little. I could identify with so much of it! It was so well written and contained so much verbiage that many of us think of, but would never say aloud. I had to read out loud to my husband because he couldn't figure out what could possibly have me in near convulsions. He too found himself loving every written word. Joan is hysterical! I recommend this book to everyone with or without an open mind . I thought Wifey by Judy Blume was the funniest book ever until I read Joan's book. This goes above and beyond. Great job Joan! Will wait for another till I am no longer able to function!

Laughed from beginning to end. If you like Joan Rivers then you will like this book. Joan is bold and sassy and tells it as she sees it.

Joan Rivers is super funny to me and this book had me cracking up. Joan explains what she hates about certain things and some of her thoughts are actually true in my opinion I just Love Joan Rivers and her television show on We TV with her family and friends called Joan Knows Best. : Joan and Melissa. Joan antics is hilarious and her family and friends are too.

You absolutely cannot go wrong when it comes to Joan Rivers. Whether you're a new(er) fan of hers, or if you've been following her very long and impressive career from the beginning, you'll really find that her personality hops off of every page! You'll find yourself reading every word in her voice, which just adds to the charisma of your reading experience. You won't be able to put down this book once you've started it!

I just couldn't get into it. Too much talk and no content. Joan was funny and said what she thought, but this didn't do it for me. She has done so much better. Miss you Joan!

Hilarious. If you need to laugh, buy this audio book that's read by the Queen of Comedy herself: The legendary, iconic Joan Rivers. I have been a fan of hers for a long time and her humor has gotten me through hard times. This book is hilarious, and is approximately 5 hours of Joan delivering awesome punch lines and telling it like it is. I can't get enough of this audio book, and it's great for the car. Highly recommend!

I laughed, I cried, she was so funny. Makes me want to get everything she's ever written.
