Customer Reviews

This immensely popular children's story is told from the point of view of a dog named Harold. It all starts when Harold's human family, the Monroes, goes to see the movie Dracula, and young Toby accidentally sits on a baby rabbit wrapped in a bundle on his seat. How could the family help but take the rabbit home and name it Bunnacula? Chester, the literate, sensitive, and keenly observant family cat, soon decides there is something weird about this rabbit. Pointy fangs, the appearance of a cape, black-and-white coloring, nocturnal habits … it sure seemed like he was a vampire bunny. When the family finds a white tomato in the kitchen, sucked dry and colorless, well … Chester becomes distraught and fears for the safety of the family. "Today, vegetables. Tomorrow … the world!" he warns Harold. But when Chester tries to make his fears known to the Monroes, he is completely misunderstood, and the results are truly hilarious. Is Bunnacula really a vampire bunny? We can't say. But any child who has ever let his or her imagination run a little wild will love Deborah and James Howe's funny, fast-paced "rabbit-tale of mystery." (Ages 9 to 12) --This

text refers to an out of print or unavailable edition of this title.

"Bunnicula is the kind of story that does not age, and in all probability, will never die. Or stay dead, anyway..." -- Neil Gaiman
"The most lovable vampire of all time." -- J. Gordon Melton, author of *The Vampire Book*
"Move over, Dracula! This mystery-comedy is sure to delight." -- *New York Times*

A book with a cute bunny vampire, talking animals, and a mystery should be read! In *Bunnicula*, a family finds a bunny at a *Dracula* movie, and their two other pets think there is something suspicious about him that might harm the family. To find out more, read the book. All the characters include Chester, Harold, and my personal favorite, Bunnicula. The narrator is Harold, and he's a dog. Chester is a cat, and Bunnicula is a vampire bunny. My least favorite part is when Harold finds Chester starving Bunnicula. My favorite part is when Bunnicula gets hit with a steak. Chester is confused. He gets steak and stake mixed up. The reason I gave this book four stars is because it is hilarious, and you are always second guessing yourself because you do not know what is going to happen next. The only thing I didn't like was at times it was a little scary. I recommend it to anyone who wants to read it. It is an awesome book! by Emily

Part of my childhood passed onto the next generation :) This series was one of my favorites, funny, cute, and perfect for "big kids" who have outgrown the young kid books but aren't quite ready for the teen fiction section at the library.

I always loved hearing this story when I was growing up, and it's been a long while of not remembering the laughs it brings. About a week ago I went to get a midnight snack, my husband also encouraging me to eat healthy, so I grabbed an orange. As I peeled back the skin, to my surprise the fruit was dry and white! I was instantly brought back to one of my loveable books! I told my husband about what happened and how it had to be *Bunnicula*! He looked at me like I was crazy, so I explained to him about the book. Well he still thought it was crazy so I found the story and read a chapter every other night to him and our little one. We all laughed at Chester and compared him to our little kitty Stewart. Great read for family's and anyone who enjoys a funny mystery!

My granddaughter was pleasantly surprised when they arrived in a very prompt manner, she loved *Bunnicula*! she is getting ready to start reading the other companions later this month. Thank you

I loved this book as a kid and I am so glad that I was able to find it. It came in great condition. Highly recommend!

Excellent book to read with my daughter.

This book is awesome! I can't believe that the vampire bunny Bunnacula was actually a good guy. Chester turned out to be the bad guy all along! When you read this book, you will see Chester trying to starve Bunnacula and Harold helping the vampire bunny. Will Bunnacula survive? Find out now and READ!

A classy c for a reason- great humor!
