A deliciously wicked tale...This Lady Isra of the Dark weaves a Lovely and Magical Fantasy

tale-spell, and it is told/done quite well!warning - \*spoiler alert\* - below...But, it made me so sad, when that magnificent dragon had to die...

Good book. Cant wait for the next one!!!

The idea was good write a book about a villain and it started in a really nice way but somewhere In the middle of the book the story felt short I feel the revenge that moved the story forward was not enough and fell flat and even boring at times. Isra could have had a showdown with some heros or angels it would have been good to have her destroy some champions of the light but sadly that was not meant to be and also WTF happened to Romeo?

wonderfully dark and intense, this author really fed me the story!

Didn't finish the book as it wasn't my taste.

Lady Isra is a witch with a blackened soul which makes for one very wicked witch.Lady Isra met a python in the woods and they became friends. Romeo warned her of a man who would approach her seeking help. She set forth a plan for this man and his destruction.Lady of the Dark, Isra, hates humans especially the weak ones. Humans who have a strong spiritual gift of feelings and emotions for one another. She has no one she can trust.When Kane approached Isra seeking help, she gave him two options. He was now her slave and a prisoner of her hidden kingdom. Will she kill him or will he change her heart?Her curious nature, about the worthless humans, sends her on a trip, in disguise, to the nearest village. There she meets Lillian, Kane's fiancée. Does Lillian change Isra's views about humans?Astrid, a raven, is Lady Isra's closest friend and confidant. He is her eyes and ears to protect her. What is Isra plan for Astrid?Who will betray the Lady of the Dark with a blackened soul?The author sends us on a journey into a fantasy, paranormal world of evil and destruction that keeps you intrigued from the very beginning.I loved this book! I can't wait for the next installment and would recommend this book!!'m volunteering at honest review for an advanced readers copy.

Great story! Lady Isra is so evil, you keep hoping that somewhere there is a little bright light in her heart. She hates everything except her moonlight walks and her delicious evil ways. She practices her dark art to make herself more evil and more powerful. She captures a young man from a

neighboring village and devotes herself to making his life miserable as her slave. If he had any hope of escaping, she has taken that away. The story is about a dark soul. You hope that something good will happen to change Isra's heart.

This is a story of revenge and love. Isra wants revenge on Human kind for how they treated her. She has slain Dragons and has more dark magic than anyone else. But only two friends. A snake named Romeo and a Raven named Astrid. Kane is a simple warrior with the power to see. He seeks out the Dark Lady and asks for a favour, he is turned into her slave and loses so much, starting with his freedom and ending with death. Astrid loves Lady Isra and will do anything for her. Even allow the Lady to make the transformation from Raven to Human. This story has a very slow start and was difficult to get into, but once I got into the story the pages seemed to turn themselves. Can Lady Isra love again? Will Kane ever get over his selfishness? Will Astrid's love be enough for Lady Isra?
