Really good workbook I expected it to be more work work but it's basically project ideas so you need a lot of arts and craft supplies to complete this but if you got those it's amazing

Perfect for when we have bible studies at home with the kids

very easy to use. Kids love the activities.

The teachers really like it. They found the lessons easily adaptable to any of the teachers/volunteers. There isn't a lot of additional prep required but keeps the door open to additional creativity without trumping the prepared curriculum.

Good.
