## Customer Reviews

Teora is a children's books publisher.

Excellent book for teaching the difference between good and bad habits. I bought this book to use as a "social story" for my son with ASD. He likes the book (words and pictures) and seemed to understand why the bad habits were "bad" while the good habits were "good." I highly recommend this book and its partner book, "Learn Good Manners with Charles" for anyone searching for a straight-forward storybook about good and bad habits and manners.

Bought for my 3yr old grandson. Good learning tool about good behavior
