# Shattered Memories (The Mirror Sisters Series)

## Synopsis

In this finale of the darkly gothic Mirror Sisters trilogy, one twin fears her reunion with sister dearest— from the legendary New York Times bestselling author of *Flowers in the Attic* and *My Sweet Audrina* (now Lifetime movies). For fans of Ruth Ware (*The Woman in Cabin 10*) and Liane Moriarty (*Big Little Lies*). They share an unbreakable bond... An inescapable bond. As identical twins, Haylee and Kaylee Fitzgerald have always done things in exactly the same way. Under their mother's guidance their every outfit, every meal, and every thought was identical. But now things are different. With Kaylee back at home after her sister's betrayal, her life has been turned inside out. Both her mother and Haylee are away and Kaylee is alone and more lost than ever. Her father suggests going to a new school where she can have a fresh start, and where no one will know about her dark past. But if Kaylee knows her sister at all, she knows that her twin isn't through with her yet.

## Book Information
