Customer Reviews

Isabel de Madariaga is professor emeritus of Slavonic Studies at the University of London.

Professor de Madariaga doesn't waste words but there is a lot of information here. This is my first course in the history of Imperial Russia and I really liked this book.

Hard to get into

I am still reading it and will have to update my review. I did see a you tube video where the author

does talk about her historical views on Catherine the GREAT

I recommend this product to anyone interested in Catherine the Great or anyone working on research projects. Easy to read.

This book is so dry...very hard to finish. It tells very little about Catherine. Way too much about Russian history leading up to her rule.
