Customer Reviews

"Whoever put this book in your hands loves you - and you're about to love them right back! Carla is a born teacher. Full of useful insights, helpful quick-fixes learned from years of trial and error, and her signature humor (and patience), *Cooking With Love* puts Ms. Hootie Hoo herself right there at the stove next to you, every step of the way. Whether you're a novice or expert, she'll have you dancing into the kitchen to whip up unbelievably simple, sumptuous feasts from scratch, whether it's

weeknight Buffalo Wing Burgers, or The Saints' Gumbo for a weekend get together. If I'm coming to dinner, please make the Groundnut Stew - it's my favorite!" (Daphne Oz The Dorm Room Diet) "Carla Hall knocks it out of the park with her first book, all about love, tradition, family, flavor and style, and flavor again. Her true natural ability to make things delicious is all over every single recipe. I love working with Carla on "The Chew" every day and simply get jiggy every time we get to taste her magic on set. With this sweet tome in the home kitchen anyone can make thoughtful tasty food with real style. (Mario Batali) "As a cook who enjoys kitchen experiments, I love Carla's stories of how she develops her delicious dishes, tinkering with flavor combinations until she gets them just right. And they really are just right. And what a range: her rustic mushroom tart is great and Granny's five-flavor pound cake is worth the price of the book. (Jennifer Reese Make the Bread, Buy the Butter)

Carla Hall attended Le Cordon Rouge Academie de Cuisine in Maryland and is owner and executive chef of Carla Hall Petite Cookies, an artisan cookie company based out of Washington, DC. A cohost on the ABC talk show The Chew, she lives in Washington, DC, with her husband, Matthew Lyons, and stepson, Noah. Genevieve Ko is coauthor of Home Cooking with Jean-Georges and senior food editor at Good Housekeeping.

Carla Hall writes with as much love as she cooks with. The stories interspersed with the recipes make this a fun read as well as a working manual for some tasty dishes. This will be my go-to cookbook for wedding presents as even the beginner can have great results. For the more advanced cook there are inspirations galore. Well worth the modest price.

Easy to follow recipes.

I purchased this book for my Aunt Helen, and she loves it, she is collecting all of the cast's cookbooks from the hit daytime cooking show "The Chew".... Thanks Again.

I love Carla Hall she is great will enjoy trying her recipes ..

I love Carla Hall. Her chicken pot pie that she made on the Bravo cooking show was fantastic. That's when I knew I would follow her anywhere.

I like a easy cookbook. This just didn't do it for me. To many ingredients for me. Otherwise book lay out is good and pictures make it nice. Wish nutrition value would have been listed.

Loved Miss Hall's cookbook. I'm a fan of hers on THE CHEW.

It is hard to explain...the recipes are very warm and inviting, but some of the ingredients were hard to find. I am glad that I have it, the recipes I have tried have turned out good, just wish I understood more about cooking like a chef.
